

DUAL CLUTCHES, DOUBLE CLUTCHES,
DRY CLUTCHES, WET CLUTCHES, DCT, DSG

We Have Them All

We stock an extensive range of Dual Clutches

from manufacturers such as Audi, Mitsubishi, VW, Ford, Volvo, BMW, Mercedes, Hyundai. Contact us with a VIN number or registration number and we can quote you the correct part for your customer vehicle.

You can find a full list of Dual clutch options on the back side.

In support of the growing Dual Clutch market, we have scheduled two sessions in our 2019 Technical Seminar on Dual Clutch Transmissions. These being the DQ200 (7-speed dry clutch DSG) and the 6DCT450 (6-speed wet clutch DSG).

Visit www.alltranz.com.au
for all your transmission requirements.
